DESCRIPTION

Assystem offers a crew rest solution based on economy seats, which has a minimum effect on the LOPA. It enables the extension of the flight duty period according to CS-FTL.1 and Part 117 Class 3 and is an ideal solution for single class cabin layouts. The switch between "Crew Rest" and "Full HD" layout is done in minutes. Airlines have full PAX capacity available during non Crew Rest operations and best possible crew recovery due to ergonomics based on scientific studies. Certification by Assystem on aircraft level.

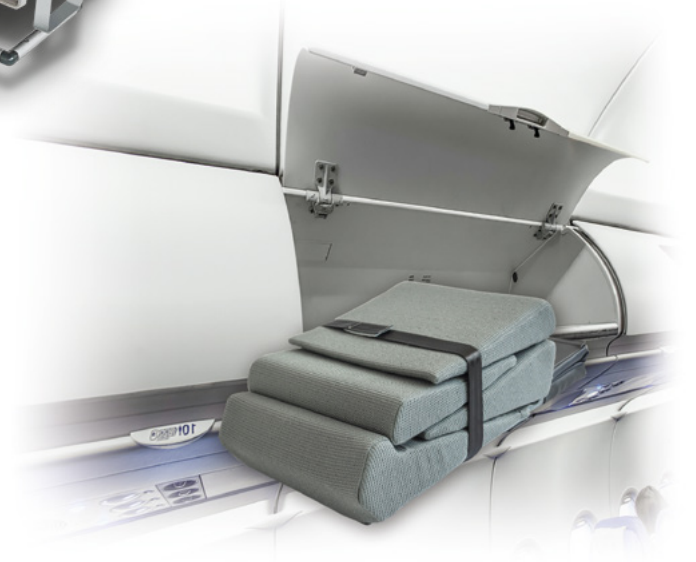

Ask for individual solutions for your aircraft.

SPECIFICATION

- Colour: dark grey
- Materials: fabrics, leather, foam, pc
- Dimensions folded (mm): 760 x 430 x 300
- Dimensions folded (inch): 30 x 17 x 12
- Weight: 7.5 kg
- Adjustments: Velcro
- Made in Germany
- Patents: Utility Model Protection ©DE 20 2016 007 234

Install in minutes without tools and adjust to your personal comfort.

Stow in overhead bin.
